

Ganti Password Email Wikamail

1. Silakan lakukan login email wikamail melalui <https://www.office.com>
2. Klik profile di panel bawah kiri dan pilih **View Account**.

3. klik **Change Password**.

4. Isikan password yang diinginkan lalu klik **Submit**.

A screenshot of a 'Change your password' dialog box. It features a title bar with a close button (X). The 'User ID' is 'noval@wikamail.id'. There are two password input fields: 'New password' and 'Confirm new password', both currently masked with dots and having an eye icon to toggle visibility. At the bottom, there are two buttons: 'Cancel' and 'Submit'.
